The Washington State Neurological Society is proud to host the 2019 Annual Meeting. This meeting is an outstanding educational opportunity for Neurologists, Neurology Residents and ARNP/PACs practicing in Neurology. This year, WSNS active member physicians and affiliates will receive FREE conference registration.

We are excited and honored to have an excellent group of speakers sharing their clinical and scientific expertise with us at this year's meeting. Through a charted course of lectures, networking and brainstorming with your colleagues, you will discover practical information and scientific updates critical to improving your patient care.

### Target Audience

The intended audience for this course is practicing neurologists and neurology residents, nurse practitioners and physician assistants from the Pacific Northwest.
